“Tidy Randalstown”

Dear Helen

On behalf of our little group, this is just to thank you, Suzanne and Catherine so much for your time and hospitality this morning. The work you have done in Randalstown is really inspiring and such a credit to you and your team of volunteers.

We will keep in touch and hopefully make steady progress with our small projects, helped by the benefit of your advice.

We were sorry not to be able to show our appreciation by buying you all a coffee but maybe we can combine a larger visit from our group in the late spring with an hour of weeding or litter picking for you!

We would also be delighted to host you on a visit up to Ballycastle some time to enjoy some sea air!

I'm sure I will be in touch again, seeking your guidance as we develop our projects but we will certainly report back on how we are progressing - that may not be for a while but you know better than anyone how long these things can take!

Very best wishes from us all.

Glenise
