

The u3a is a self-help group in which members learn from each other. Members draw upon their own knowledge, expertise and skills to pass on their interest and enthusiasm voluntarily to others.

Membership of the 'University of the Third Age' is open to all men and women irrespective of race, religion or politics. There is no lower age limit, and we welcome anyone who has ceased full time employment and entered the 'third age' of their life.

We have activities in diverse fields such as: Drama and Music, Informal Bridge, French, Irish, Tai chi, Table Tennis, Badminton, Chess, Solving Sudoku, Cinema & Theatre Outings, Environmental and Current Affairs Discussion Groups, Days away and many more.

Suggestions of new activities are welcome for our programme, or if you have any skills or talents to assist with running our Group please let us know:
