

GLENS AND DALRIADA u3a GROUP

Charity No. NIC100643

The u3a is a self-help group in which members learn from each other. In our full title the word 'university' is used as it was originally intended- a group of people coming together to share their love of learning. It has members, not students; no qualifications are required and none are given. Members draw upon their own knowledge, expertise and skills to pass on their interest and enthusiasm voluntarily to others.

Third Age refers to the period after retirement from fulltime employment and not to any chronological age.

Membership of a university of the University of the Third Age is open to all men and women irrespective of race, religion or politics.

We have built programmes in diverse fields such as: Drama and Music, Informal Bridge, Computer Studies, Rambling, Irish history, French, Tai chi, Yoga, Pilates, Badminton, Table Tennis, Cinema & Theatre Outings, Days away and many more.

Suggestions of new activities for the programme, or if you have any skills or talents to assist with running our Group please let us know using supplementary page if necessary:
